

Glendalough National Park project, 2013

TANALISED treated timbers

Interesting Facts:

- **A number of treaters supplied timber to the Poulanass and St Kevin's walk in Glendalough, part of the Wicklow Mountains National Park.**
- **Glendalough is the 'honeypot' of the National Park, boasting high visitor numbers due to its stunning scenery and monastic history.**
- **Round posts: Scots pine treated by L Byrne & Sons**

Rails: Eased Edge timber rails supplied by Murray Timber Group and treated by L Byrne & Sons

Sleepers: Supplied and Treated by Wood Industries Ltd, the grips done on-site by Parks & Wildlife guys.
